

SPRINGLAKE PREPAREDNESS
PREPARING FOR OUR FUTURE

Much of what is presented is from open sources found on the Internet, original articles and data copied from other sources. The author, Preparedness Committee, or Board of Directors of Springlake have no financial investment or gain in any of the information presented. Many of the web sites may include ads for merchandise and or political information, opinions and statements. The views expressed and materials presented are those of the authors and presenters, and in no way reflect the opinions or policies of Springlake Community, Inc., The Springlake Board of Directors, the Emergency Preparedness Committee, or Community Management, Inc.

Articles from outside sources will, where possible, include source information for verification and attribution.

Much of the information on emergency preparedness and survival, and related topics, is transcribed directly from Internet sources. Methods described and activities demonstrated are inherently dangerous and may involve risk by using various survival tools, methods and substances, including fire. Any action taken by anyone based upon the activities is strictly at your own risk. Springlake Community, Inc., it's board of directors, the Springlake Emergency Preparedness Committee and Community Management, Inc. will not be liable for any losses and damages in connection with the use of the provided information and demonstrations.
