DO IT YOURSELF

As I have often said, if a criminal is determined enough, he or she will find a way into your home. However, there are other things you can do to make it more difficult for them. For example, you could get a dog (or dogs), a decoy safe so your most valuable things don't get stolen, or you could build a safe room so you can at least keep your family from harm. Some of the suggestions in this article may require authorization by the Springlake Board of Directors. If in doubt, check with our Management Team.
